

Appendix 2 – User test

Appendix to be use during application for Nordic Ecolabelling of de-icers.

Name of the product:	
Name of the manufacturer:	
Test performed by: Company: Contact person: Telephone:	
Test period:	
User method:	
Temperature when the test was performed:	
Dosage:	
Conditions on road (ice, snow etc.):	
Has the product been tested on transport area with asphalt? Yes <input type="checkbox"/> no <input type="checkbox"/>	
Assessment of the products efficiency (ability to melt ice):	
Not sufficient efficient <input type="checkbox"/>	
Sufficient efficient <input type="checkbox"/>	
Very efficient <input type="checkbox"/>	
Comments to test performance:	

Date

Company
